 12:30 – Lunch and Program
 Location: Riverside Marriott
 3400 Market Street, Riverside

You are invited to attend the Installation Lunch for the Riverside chapter of JACL. The program title is “Miné Okubo: Riverside’s Own International Icon” presented by Mary H. Curtin, teacher, author, playwright, and biographer. Mary H. Curtin is probably the most knowledgeable person to speak about Miné Okubo, pioneering Nisei woman, artist, and author of “Citizen 13660”. Mary spent days interviewing Miné in New York City and has read many of her letters and papers.

Also, Chancellor Gregory Gray of the Riverside Community College District will provide an update on the plans for the celebration of Miné Okubo’s 100th birthday and the opening of the Center for Social Justice and Civil Rights, future home of the Miné Okubo Collection.

Entrees are served with field greens salad, freshly baked rolls, chocolate mousse cake and your choice of freshly brewed coffee, decaf coffee, or iced tea. Please select your choice of entree:

Roasted Top Sirloin - Sliced sirloin prepared with demi-glaze and caramelized shallots; served with garlic mashed potatoes and fresh seasonal vegetables

Chicken Piccata - Chicken breast sauteed with capers and finished with lemon wine butter; served with orzo pasta and fresh vegetables

Spinach Lasagna - Layered lasagna noodles with fresh spinach, ricotta cheese topped with alfredo sauce; served with fresh vegetables and parmesan topped roasted tomato
